

RQR Travel Awards

The RQR offers travel awards of a maximum of **\$500** to cover costs associated with national or international meetings to promote scientific exchange. For a meeting held in the province of Québec the maximum amount of the award is up to **\$250**.

The admission criteria are the following:

- The meeting must occur between **January 1st and December 31st, 2015**.
- Applicants must be giving a poster or platform presentation at the meeting.
- Your research director must be an RQR member and his/her annual update of the web page on the RQR website must be completed.
- Only one travel award per year per student.
- The meeting cannot take place in the city where the applicant lives.

*****Note: Students must include the RQR logo in their presentation*****

Students and postdoctoral fellows can apply by sending the [Registration form](#) to j.blouin@umontreal.ca by **May 29, 2015**.

If the travel grant is awarded, the following documents will be required:

- Proof of registration to the meeting
- Proof your abstract was accepted for an oral or poster presentation

RQR Networking workshop

The RQR is organizing a networking workshop between clinicians, veterinarians, RQR researchers and pharmaceutical and biotech companies. The meeting is scheduled on **Monday, May 25th, from 10:00AM to 3:00PM** and will be held at the **Faculté de médecine vétérinaire in St-Hyacinthe**.

Why bring together veterinarians and clinicians? Because some issues are applicable at both the human and animal level and thus, all parties can benefit from a joint meeting, as examples, the following topics could be addressed:

- Evolution of ovarian reserve.
- Pesticides and endocrine disruptors.
- How to select the normal sperm at the time of ICSI.
- Evaluating different freezing techniques for frozen ejaculated and testicular human sperm.
- Epigenetics.

To register: by email at j.blouin@umontreal.ca or by phone at 450 773-8521 ext. 8221, before **May 20th**.

Do not hesitate to talk to your colleagues about this networking workshop!

Two RQR activities open to general public

Café scientifique *Daddy, more important than he thinks!*

Most people are already aware of the importance of the mother's health when it comes time to conceive. But what about the father's preconception health?

Dr. Daniel Cyr, from the INRS, will host the evening which will take place on **June 11th at 6:30PM** at the Café des Beaux-Arts located at 1384, Sherbrooke Street West in Montréal.

For full details and information about our panelists, consult the announcement: [Daddy, more important than he thinks!](#)

RQR 24 Hours of Science

Two activities has been organized by the RQR as part of the 24 hours of science. They will take place on **Saturday, May 9th** at the Longueuil campus of the Université de Sherbrooke, 150, place Charles-Le-Moyne, Longueuil.

10:00AM to 12:00PM: [Fertilité et grossesse: la lumière a-t-elle un effet?](#)
1:00PM to 3:00PM: [Lumière sur le spermatozoïde!](#)

Admission is free, a reservation required before **May 5th** (coffee and juice will be served).

Activity in French

New RQR conferences available!

New conferences are now available on the secure [website](#) section. You will find, among others, the talks of **Drs Jocelyn Dubuc** and **Greg FitzHarris**, Université de Montréal, of **Dr Katrin Hinrichs**, Texas A&M University as well as **Drs Monique Zetka** and **Sarah Kimmins**, McGill University.

This section is accessible only to members and their students and postdoctoral fellows, but you need to [register](#). You will receive a confirmation when your account is activated.

Reminder : RQR Scholarship competition – Summer 2015

The RQR announces a summer scholarship competition directed **only to undergraduate trainees**. The summer internship must be performed under the direction of a RQR research. Scholarships of \$2,500 are offered and are non-renewable.

[Detailed guidelines](#)
