 CELLULAR RESEARCH

## RQR & D-MARK BIOSCIENCES educational seminar:

### *Advances in Gene Expression*

“Comparing RNA-Seq, Digital PCR, and direct mRNA  
Molecular Indexing”

This overview presentation is suitable for researchers and trainees who have a basic knowledge of qPCR, and have performed or will be performing gene expression studies for their research.

When: Tuesday March 3rd, 10 AM

Where: St-Hyacinthe, 3200 rue Sicotte, room 2108

**D-MARK Biosciences** is a solutions-based provider, bringing the most innovative, next generation molecular research tools to Canadian laboratories.

***\*Snacks and coffee will be provided!***

Registration Deadline: February 27<sup>th</sup>

To register please contact: **Eliane Auger**

**\*RSVP** [Eliane.Auger@umontreal.ca](mailto:Eliane.Auger@umontreal.ca)// tel: 450-773-8521 x8286
